Tofft Heads Local Hospital Board As Annual Meet Held

At the annual reorganization meeting of the Tahoe Forest Hospital District governing board Friday evening, Ivan Tofft of Donner Lake was elected president, succeeding Gordon Moyer of Tahoe City who was named vice president. William Vail was chosen as secretary of the board and Daven Morey was reappointed as treasurer.

The meeting followed a dinner prepared and served to the directors and medical staff by the hospital dietician, Mrs. Janet Franklin and her assistants.

J. R. Liske, architect for the new addition to the hospital is scheduled to be here February 11 and 12 at which time the board will study the final plans for the proposed $1,050,000 expansion and improvements of the hospital.

A committee comprising Gordon Moyer, Ray Hintz and a medical staff member to be named by Dr.

Chamber Seeks To Improve Shortcut

TAHOE CITY—The North Tahoe Chamber of Commerce has adopted a resolution calling upon the state division of highways to accept the Brockway shortcut between Kings Beach and Truckee as part of the state highway system.

This, it was pointed out, would assure better maintenance.

This action has long been desired by both the Truckee and Tahoe chambers and the recent improvement of the road by both Placer and Nevada counties should make it acceptable for the state.

A request that State Route 89 between Tahoe City and Squaw Valley be improved, brought a reply from the California Highway Commissioner that no funds for this project would be available before 1971. Highway Chairman Tom Jones and President Jack Domergue will continue their efforts to have this date materially advanced.

The chamber has started its 1965 membership drive with an aim of signing up all business interests in the area.

Forest Land Taken Off Rights Of Way

The bureau of land management has published notice of the proposed withdrawal from mineral entry of approximately 3,188 acres of Tahoe national forest land.

Congressman Harold T. (Bizz) Johnson, representing the second, mountain-valley counties, district, said that notices published in the New Year's Day Federal Register state that the forest service desired the withdrawals to provide a roadside zone along both sides of U. S. Highway 40 and State Highways 89 and 20.

The roadside zones would extend 300 feet on each side of Highway 40 through portions from the west of Donner Lake to Floriston.

On Highway 89 the strip would be 200 feet wide on each side of the centerline from Truckee to Tahoe City.

Valid existing rights will be recognized and the order does not alter the applicability of public land laws governing the use of national forest lands under lease, license or permit.

ALAN TAPIA FINISHES SCHOOL IN SERVICE

Alan Tapia, now of the U. S. Air Force and a former student at Tahoe Truckee high school, recently completed all requirements for his high school diploma and was awarded same at the local school on January 11.

Alan is presently stationed at Travis Air Force Base and plans to continue his formal education at Vallejo College during off-duty hours. While enrolled at Tahoe Truckee he participated in athletics, many class activities and was a member of the Block T Society.

FRODENBERG BETTER FOLLOWING STROKE

TAHOE CITY—Art Frodenberg, a well known resident of Tahoe City for the past 18 years, is recovering from a mild stroke that occurred last week. His many friends and his family are encouraged by his recuperation.

Frodenberg recently welcomed his fifth grand child, Michelle Allias Frodenberg.

SENIOR BALL IS HELD BY HIGH STUDENTS

Lisa Davis and Art Waddell were named Miss and Mr. TNT Saturday evening at the senior ball held in the Tahoe Truckee high school.

Blue accented with white added to the attractive theme of Fantasia. The affair was well attended, arrangements under the chairmanship of Jayne Shontz.

Visibility Blamed For Road Tieups, Reports Indicates

Senator Paul J. Lunardi said that the meeting with the division of highways and representatives from winter resort areas of Placer and Nevada counties proved very fruitful in setting forth the principal reasons for recent delays on Interstate 80.

"While the blinding snow storms which overwhelmed our highday system were somewhat unusual," Lunardi said, "the blizzards vividly illustrated the fact that most all of the closures resulted from lack of visibility and not snow removal."

State highway officials pointed out that there is a prevailing wind which is historically charactistic of the Donner Route, the division is constantly investigating new ideas and reviewing past procedures in an attempt to minimize future closures.

No Procedent

A spokesman from the highway patrol pointed out that another factor hampering snow removal crews and contributing to closures is the growing trend of temporary and permanent abandonment of vehicles. Last year over 700 vehicles were permanently abandoned in Placer and Nevada Counties.

Rites Conducted For Mrs. Williams

Death came in Sacramento Friday to one of Truckee's old-time residents when Mrs. Helen Williams expired suddenly from an apparent heart attack.

Mrs. Williams was the wife of Henry G. Williams, veteran Truckee and Colfax Southern Pacific employe, who retired some 12 years ago. The couple purchased a home at 1108 49th street and had resided there since leaving here.

Besides her husband, Mrs. Williams leaves two nieces, Mrs. Theresa Jones and Mrs. Margaret Wagner. She was a native of Missouri.

Funeral services were held Tuesday at 3 p. m. in Sacramento and interment was in East Lawn.

DR. KING NAMED HEAD OF MEDICAL GROUP

Dr. Ben R. King was elected chief of staff of the medical group of the Tahoe Forest Hospital, replacing Dr. Ray Wiser, who served during the past year as chief.

Dr. Monica Briner of Tahoe City was named secretary and on the executive committee are Dr. King, Dr. Wiser and Dr. Gardiner Pier.

HOOPER RESIGNS AS COUNTY CORONER

Alvah Hooper, Nevada County coroner for 22 continuous years, late Monday filed his resignation with the board of supervisors.

Hooper, who for several years operated the Truckee Colonial Mortuary here, said that a recent opinion by the attorney general which indicates there is a conflict of interest between an elected county coroner and the mortuary business, made it advisable for him to resign. He expressed his thanks to his many friends for their support since 1942.

Lake Level

TAHOE CITY — One hundred cubic feet of water per second are leaving Lake Tahoe at Tahoe City, this week, with the level of the lake recorded at 6227.14, according to the office of Daryl DeWalt.

High temperature was only 47 degrees on January 14, low for the week was 19 degrees on the 16th.

Guild Will Meet

A meeting of the Assumption Catholic Guild will be held Monday, January 25 at 8 p. m. in the parish house. Mrs. Joe Reichlin will preside at the meeting and refreshments will be served at the conclusion. All members are asked to be present.

ASSISTANT EMPLOYED

Because of the score of violation tickets flooding the office of Judge F. W. Wilson, Mrs. Eleanor Kent has been employed to assist Mrs. Sharon Schultz in processing the documents on a temporary basis three hours a day.

Chamber Opposes Room Tax Unless Used In Promotion

The unexpected action by the Nevada County Board of Supervisors in imposing a four per cent occupancy tax on motels, hotels and trailer courts, has brought the suggestion from N. F. Dolley, president of the Truckee-Donner Chamber of Commerce that the funds thus collected be used in the areas of origin for community promotion purposes.

In the meantime, County Auditor John T. Trauner explained that the ordinance provides the money from the tax go into the general fund, thus precluding it being allocated to any particular area.

It was pointed out that the ordinance affects only the unincorporated area of the county. Supervisor H. G. Loehr said similar ordinances were expected to be adopted by the two cities in the county.

Local motel and hotel operators were not pleased with the action, charging that no prior notice was given, although it was admitted this probably would have had no bearing on the ultimate action.

"The unexpected passage of the ordinance," Dolley declared, "gave us no opportunity to study the possible effects in this area nor were we given a voice in protest or acceptance. If the money collected can be used in promotiong the region from which it comes, this would be a redeeming feature."

Truckee Airport Useful In Fog Area

The Truckee-Tahoe Airport acted as host for many flyers attempting to reach Reno last weekend due to extensive fog engulfing the Reno airport.

Fred Fletcher, president of Sierra Pacific Power Company, arrived in their "Queen Air" on Saturday, while the area was host to Mr. and Mrs. William Akers from Knoxville, Tennessee. Akers arrived in his fully equipped Beach Baron costing $68,000.

The couple were on their way to a furniture market in San Francisco, and stopped off to ski as they have done in the past years. They stayed at the Alpine Riveside Hotel and skied at Squaw Valley. Akers said this is an ideal stopping off place to ski due to the close proximity of the airport to ski areas, and a very friendly atmosphere which prevails.

SANITARY BOARD TO DISCUSS SEWER PLAN

Oliver Crose, clerk of the Truckee Sanitary District, announced that February 2 has been set as the date of the meeting when the board will make a decision of the construction of a sewer system to serve the Donner Lake community.

This will be the regular meeting date of the board and invitations have been sent to the engineers and financial experts to attend to discuss alternate plans for the project.

LAKE SKI CLUBERS GIVEN FREE LESSONS

TAHOE CITY—Members of the Lake Tahoe Ski Club are privileged this season to be eligible for free ski lessons each Saturday and Sunday at Alpine Meadows.

The pupils are asked to be 15 minutes early and have their equipment checked to be ready when the school starts. Classes start promptly under Lionel Burt of the Luggi Ski School. Beginners will have their lessons from 10 a. m. on Saturday and Sunday and intermediates will start at 2 p. m. both days.

SCHOOL GETS TITLE TO LANDS IN TRADE

The Tahoe Truckee Unified School District this week acquired title to several pieces of land which was obtained in trades with the U. S. Forest Service.

The property includes 50 acres in the Tahoe Highlands area on which it is proposed to erect a new high school in future years. Another ten acres was acquired near the Kings Beach school and the Donner Trail school, which had been on land leased from the government is now on school property.

Decision On Hall Use Will Be Made At Lodge Meeting

At an open meeting scheduled for Friday, January 22 at 7:30 p. m. in Odd Fellows Hall, a discussion will be held regarding the future of the hall and the lodge itself.

F. W. Wilson, secretary of Donner Lodge No. 162, I. O. O. F. said the hall stands idle much of the time when it might well be used for various organization meetings, community gathering and general use.

While the meeting tomorrow is sponsored by Donner Lodge, everyone interested in the building and its future is asked to attend and express themselves. Wilson and other members of the order believe that the well furnished hall should have wider usage and thus serve as a community asset, rather than being unoccupied most of the time.

Lincoln Team To Be Here Saturday

The Tahoe Truckee Wolverine basketball team will host the Lincoln aggregations at the local court Saturday, January 23, with the junior varsity game commencing at 6:30 p. m.

In the game at Colfax Friday, the Wolverines led throughout, winning by a score of 39 to 27, while the JV's dropped their contest 31 to 36. In the latter game, Ron Walker and Ernie Marier tied for high point with nine each.

In the varsity game, Steve Felte led his teammates with 12 points while Ron Backer, Mark Moore and Eddie Hoff each scored 8 points.

The Wolverines led all the way, with the quarter ending 10 to 3 and at the half Tahoe Truckee retained a lead of 19 to 15, while at the end of the third period, the score was 29 to 23.

FOUR CHILDREN ARE BORN AT HOSPITAL

Four new citizens were added to the area's population, born in Tahoe Forest Hospital.

Mr. and Mrs. Austin Frodenberg became parents on January 12 of Michelle Allias whose first weight was a petite 6 pounds, 5 ounces.

Rochelle Kay were the names chosen by Mr. and Mrs. Alvie Boyce of Incline Village when she arrived January 15. The little girl's initial weight was 8 pounds, 6 ounces.

Gary Timothy joined the girls in the hospital nursery on January 16. His parents are Mr. and Mrs. David Britton of Carnelian Bay. Gary tipped the scales at 5 pounds, 12½ ounces.

Mr. and Mrs. Russell Hodges of Truckee welcomed their son, January 18 and named him Randall Dale. He weighed in at one ounce over 7 pounds.

PLANS NEAR READY FOR NEW POST OFFICE

KINGS BEACH—Kings Beach may have a new post office early next summer if plans now in progress are carried out.

Ray Germain, assistant director of the post office department at San Francisco, said plans call for a 3,155 square foot structure to be erected on Salmon street between Fox and Coon streets and that work may be started by March 1, weather permitting.

The department has signed a lease option with William B. Morgan covering an area of 15,625 square feet. The lease will extend for a period of 10 years with a five year option.

The new office will be surrounded by 5,759 square feet of parking and maneuvering space and will have a 450 square foot loading platform.

BOBCATS BAGGED BY LOCAL TRAPPER

Tony Ghirard, with his grandson, recently successfully trapped a dozend bobcats and two skunks after repeated raids by the animals on ranch property located off the freeway, en route to Reno and owned by Richard Joseph and his sister, Roxie Archie.

The bobcat has luxurious fur at this season and large specimens can weigh up to 30 pounds. It is considered predatory and because of this it is not protected and may be taken at any time.

Donner Resorts To Discuss Problems At Meet Sunday

Plans for the future activities including a discussion on promotion of conventions and reservations, will occupy the meeting of the Donner Lake Resorts and Businessmen's Association at Donner Lake Lodge Sunday, January 24 at 7:30 p. m.

Ivan Tofft, president of the group, said the business people of the area will discuss the future of old Highway 40 along the lake for a solution of the problems of maintenance and snow removal. The lateral will be maintained by the state until next summer and the people effected are anxious to see that it is in good condition when the county takes over.

Another matter on the agenda, Tofft said, will be the recently imposed occupancy tax on motels and hotels. The owners were unaware that such a tax was in the mill and want to determine, if possible, how the money will be used.

Frequent violations of parking and snow plowing will also be under discussion, Tofft said.

High Students Are Honored In Tests

Two freshmen and seven sophomores at Tahoe Truckee high school have received recognition for their outstanding performance on the 1964-65 National Educational Development Tests.

The first-year students achieving the honor were Karel Sauby and Embree Cross; while the sophomore class contributed John Atkinson, Greg Beck, Jon Caulkett, Dan Greene, Viki Jones, Ernie Marier and Mike Sundquist.

The tests are voluntary in nature, being offered each fall at the local secondry school by the counseling staff. Students must score in the top 10 per cent of their grade nationally in order to receive the certificte of merit. The areas of testing include word, English and mathematics usage, and social studies and natural science reading.

Test scores for all students participating in the testing program are used for counselling and guidance purposes, and each student is provided with his or her scores and an interpretative booklet.

Students are encouraged to take the booklets home and go over the information provided, with their parents. The next such testing program is the National Merit Tests for juniors scheduled for March 9.

LANDERS ENJOY TRIP BY PLANE TO MIAMI

Mr. and Mrs. Emery Lander and son, Douglas, former Truckee residents where he was with the sheriff's department, and now residing in Reno, returned Friday after a vacation trip to Miami, Florida.

The three made their first airplane trip as guests of their daughter, Alice Lander, hostess with Western Airlines. The trip was made by jet and thoroughly enjoyed. They brought back an aguaji and two baby aligators as pets and souvenirs.

LIEUTENANT ROSWOG SEES SNOW IN JAPAN

Lt. P. E. Roswog, CHC, USNR who was a pastor at Assumption Church here wrote that he saw snow when he went to a training camp in Japan to officiate at services on Christmas.

His location was in sight of Mt. Fuji that had quite a bit of snow on top. Rev. Roswog added that it was the first snow he had seen since leaving Truckee in the middle of a snow storm last June 8.

He also sent his best wishes to local friends for the New Year of 1965.

DOUBLE SESSIONS AT TAHOE SCHOOL END

TAHOE CITY—With completion of the new classrooms at the Tahoe Lake School, there is no longer need for the double classses in the first, second, third and fourth grades.

The new rooms are now being occupied and all classes are held in regular periods, according to District Superintendent John S. Corbin.

Plans Progress To Stage Sno-Ball At Tahoe February 13

TAHOE CITY — Plans for the most elaborate Annual Sno-Ball in Lake Tahoe history have been announced by Jack Domergue, president of the Greater North Lake Tahoe Chamber of Commerce which is sponsoring the dinner, dance, and beauty queen pageant for the fourth successive year. It will be held on February 13 in the Nevada Room of the Nevada Lodge.

Committees are now being named and negoitations have been opened for the participation of famous stars of the entertainment world as guest artists and masters of ceremony. Domergue last week announced the appointment of Mrs. Marilyn Fugazi and Mrs. Velda Farris as co-chairmen of the big annual ball.

Organization for the beauty pageant was launched this weekend

11 Injured In Car Accident At Lake

Eleven people, nine of them occupants of one car, were injured, some critically, in a headon auto collision Saturday at 10 a. m. in Tahoe Vista.

The California Highway Patrol reported that a car driven by Margaret Ann Parson, 19, of Cupertino, apparently skidded on the ice, crossed the center line and crashed into a station wagon driven by Herman Max Barber, 37, Mill Valley, a San Francisco fireman.

Miss Parson, was critically hurt and was taken to a Reno hospital. Her companion, Anita Janas, 17, San Jose, suffered lesser injuries, but was taken to the Tahoe Forest Hospital

Those in the Barber car, including the driver, were all taken to the local hospital for treatment of injuries ranging from minor to major. They were Dwight Merritt, 37, Dorothy Merritt, 35, of San Rafael, four Merritt children, Diana, 13, Michael, 9, Steven, 11 and Kevin, 8; Dianna Barber, 12, Mill Valley and Henry J. Hoeppener, 71, St. Louis, Missouri.

Truckee Fire District Will Be Expanded

The Nevada County Local Agency Formation Commission has set February 8 at 2 p. m. as the date for a hearing on a petition by the Truckee Fire Protection District to annex the Olympic Heights subdivision just east of Truckee. The meeting will be held in the supervisors' chambers in Nevada City.

The area is equipped with fire hydrants and water service at the present time but is still outside the district, Commissioner N. F. Dolley explained.

COPELAND NAMED AS CHIEF OF FIRE DEPT.

Joe Copeland was elected chief of the Truckee Volunteer Fire Department at the meeting held last Tuesday night. He had been acting chief since the departure of Edward Androus, who was transferred to Banning by the state.

Other officers chosen for 1965 include Robert Tonini, assistant chief; Preston Patnoude, captain; Darrell Daly, captain; Charles Fink and Charles Olano, lieutenants; Erving Waters, sergeant at arms and Roy F. Waters, secretary.

PRIEST RETURNS TO HOME AFTER FLOOD

Father Patrick Coffey, pastor of the Assumption Catholic Church, last week moved back into the parish house and opened the church following an enforced absence of nearly three weeks due to the flooding of the basements and furnances.

Services were held in the church Sunday and Father Coffey said that barring further flooding regular masses would be conducted on schedule and he will be residing in the parish house.

During the closure, Father Coffey has resided at Gateway Motel and services were held in the Veterans' Memorial Building.

CLUB MEETS

Mrs. William Davis will preside at the business meeting of the Wyethia Woman's Club to convene at 1 o'clock tomorrow in Brown's Cafe, Truckee.

Truckee Station Was Busiest In '64 State Report Says

More vehicles and more passengers passed through the Truckee quarantine station during 1964 than through any of the other 17 stations on California's borders.

This was revealed in the annual report of the bureau of plant quarantine of the state department of agriculture, which showed that there was a total of 1,514,982 cars, 63,178 trucks and 8,835 buses, with 3,983,143 passengers checked at the Truckee station during last year.

Automatic traffic counters have been installed at all border stations to simplify the reporting procedure and save man-power, the department reported. These counters check all cars, both local and foreign.

Yermo on U. S. 91 was the only station near Truckee with 3,554,522 passengers, while Woodford, which is closed from September 30 to June 16, was low with 21,425 passengers counted.

December was a low month for all stations, Truckee reporting only 62,912 cars, 4,920 trucks and 641 buses. There were 154,537 passengers. This was less than December, 1963 when there were 78,039 cars and a total of 189,754 passengers.

Mass Conducted For Robt. Fontana

Requiem mass was said for Robert Joseph Fontana, 53, member of a pioneer Truckee family, at Assumption Catholic Church Tuesday at 11 a. m. following Rosary at the Truckee Colonial Mortuary Monday evening. Father Patrick Coffey officiated.

Fontana died in an Auburn hospital Friday following a long illness.

The deceased was a native of Truckee, born December 28, 1911 and spent most of his life here. He was a son of the late Frank and Carolina Fontana and a brother of the late Aldo Fontana, who established Fontana's Laundry. He was known among his friends as "Boy". A sister, Mrs. Elizabeth Henderson resides at Niles.

Interment was in the Sierra Mountain cemetery.

216 Students Take Ski, Skate Lessons

Two hundred and 16 students in the Tahoe Truckee Unified School District are taking advantage of the ski or skate program, which got underway last weekend.

According to the office of the district superintendent, John Corbin, 115 are taking skiing lessons at Papoose Hill in Squaw Valley and 101 are learning to skate at Blyth Arena. Each of the elementary schools are providing a large number of athletes, but five skiers and one skater attends from the high school.

Kings Beach has 34 skiers and 46 skaters, Tahoe Lake 43 skiers and 24 skaters and Truckee elementary 33 skiers and 33 skaters. Classes are held each Saturday.

MARY RECTOR DIES IN YOLO HOSPITAL

A requiem mass was offered in Woodland yesterday for Mrs. Mary Frances Rector, 61, a former Truckee resident, who died at a Woodland hospital Sunday following a brief illness. Burial was in Odd Fellows Lawn cemetery in Sacramento.

Mrs. Rector was the wife of the late Frank Rector, for a number of years in the late 20's and early 30's an operator for the Southern Pacific in Truckee. She was a native of Idaho, but spent all her adult life in California.

She leaves her daughters, Mrs. T. A. Wahl and Mrs. C. M. Collier both of Sacramento and a son, Donald of San Francisco. There are also three sisters and five grandchildren.

TRUCKEE LIONS WILL ATTEND VEGAS MEET

Five members of the Truckee Lions Club and their wives left yesterday to attend the convention of Lions clubs held in Las Vegas. They plan to return Sunday after a four-day meeting.

Representing the local club will be Mr. and Mrs. Roy Waters, Mr. and Mrs. Zeph Rose, Mr. and Mrs. Lauren Russell, Mr. and Mrs. Chuck Baker and Mr. and Mrs. N. F. Dolley.

TOYS ARE PROVIDED TO NURSERY CLASS

Three new members joined the Truckee Cooperative Nursery school after the holidays vacation and all the youngsters were surprised to find new toys in their class room.

Russell Paulsen and Russel Clatter were the incentives for birth date observances by the children.

Mrs. Richard Bollin may be contacted for information concerning the group.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — Indications that California legislators are becoming more serious about taking steps to curb the growing rate of deaths, injuries and damage on California's highways are seen in the first batches of bills introduced at the 1965 session.

The subject has been one that has confounded legislators and governors alike for many years, yet the successful combination for curbing the carnage so far has never been discovered. Traffic safety conferences every year since the Warren administration have tried to make a dent in the growing totals, but so far, the totals do nothing but grow.

Whether there is a successful combination or not is debatable but at least, the 1965 legislative session will go down as one in which the legislators gave regulatory attempts an honest try.

One bill already is before the house to legalize the uses of radar in detecting speeders. Much opposition to use of radar has appeared in the past, on the grounds it was unconstitutional. Few convictions have stood up when radar was used as the sole evidence. Yet proponents of this method of speed detection claim if authorities can nab ten speeders by radar where they now stop about one, that eventually the danger of the highways will be cut down.

Use of radar, of course, would act as a deterrent against excessive speed, much as highway patrolmen on the highways do at the present time.

The motorist would have no knowledge of where radar were located, and thus would constantly be alerted at all times to stay within the speed limits. Neither could the motorist watch a rear-view mirror to check the approach of radar, as he does the highway patrol.

Whether the motorists like radar or not, and it's conceded most of them do not, the system definitely has its points.

Several bills are before the legislature increasing the use of seat belts, and also, there are several measures referring to tests for drunk drivers.

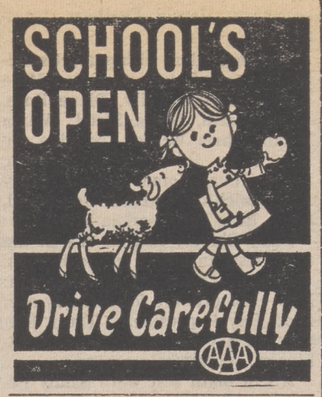

One of these is a proposed requirement that an applicant for a driver's license sign an agreement to take a chemical breath test if arrested on charges of drunk driving. If he refuses, he would not be issued a driver's license.

Proposals for lengthening the time of license revocations for convictions of traffic violations are also proposed.

The point to these observations is that legislators are making their bills a lot "tougher" than they have in the past. Just how many of the bills will get to the governor for signature is a question, but out of the lot, it is almost a certainty that some will reach the executive desk.

It is unfortunate that observance of the traffic laws cannot be carried on so undue restrictions are forced on the innocent and careful driver, as well as those who think beating the law is some kind of game to be played with the California Highway Patrol or local authorities.

Violation of traffic laws has long since ceased to be a game. The laws are adopted for the protection of the motoring public, and those who violated them deliberately, are not qualified to drive in a society interested in protecting itself. Revocation of licenses held by such persons therefore is only a case of survival.

Examinations For Service Announced

Senator Paul J. Lunardi, representing the seventh district, has announced an examination for young men in his district to become his nominee for admission to the California Maritime Academy in August, 1965. The examination will be held at Sacramento Senior High School library in Sacramento on April 13, commencing at 9 a. m. There are no fees for this examination.

The candidate may also take the college entrance examination board scholastic aptitude test concerning which his school counselor can provide information. A candidate taking the S. A. T. examination should request that a copy of the test results be sent to the academy for evaluation and also notify the academy of his home address.

The applicant with the highest passing score on the test will become the nominee of Senator Lunardi. Others with passing scores may be admitted if vacancies in the quota for the entering class exist. There is no provision for financial assistance to nominees.

In 1797, Andre J. Garnerin became the first person to make a parachute jump when he dropped from about 6,500 feet over Paris.

A starling eats about one-third of its body weight a day and a flock of 10,000 will eat 9-10 tons of food a month.

In 1963, the nation's commercial forest lands produced enough lumber to build a solid roof of one-inch planks over the entire State of Rhode Island.

In 1903, owing to the recurring presence of Japanese squatters and poachers, President Theodore Roosevelt placed Midway Island under navy jurisdiction.

Just about everyone has heard or read stories about telephone Operators helping avert disasters, saving lives and property. But, it's the little things that really show the scope of the Operators' helpfulness—like the three teenage boys who called an Operator to find out how to make French toast (and were told)... or the Operator who helped an Air Force Chaplain locate an airman's father who was in an unknown hospital. It happens every day. Your telephone Operator is more than a helper—she's a friend.

When a telephone supplyman found a dove nesting in a reel of cable, he spread the word—DO NOT DISTURB. Mother and offspring are doing fine!

Introducing Marilyn Butler, Service Representative, Tahoe City Business Office.

Marilyn transferred to Tahoe in October from Santa Cruz. She has three years service with the Company.

She makes her home at Donner Lake.

• • •

I've heard that the average person uses a telephone 8,760 hours in his lifetime. No doubt about it, telephoning is an important part of living!

• • •

Each year we see many communication changes. And last year was no exception. There was the first underseas telephone cable between America and Asia. And live global television via Telstar II. Also Picturephone see-as-you-talk experimental service between three cities. Sure, it was a big y.ar. But you know, telephone people prefer to look .head—which means continuing to bring you even better service in 1965.

Blythe Cheeseman returned from Lovelock, Nevada, where she spent the month of December with relatives while her mother was recuperating from surgery.

Fourth and Fifth Combination—Mrs. Hendrix: On a fourth grade reading test last week Michael Allsup, Anne Gorrinda and Russell Potts did well. On the fifth grade unit reading test Patsy Kaspar and Guy Searcy received the best average grades.

Deborah Brockelsby has the neatest handwriting in our class. We are trying to improve our handwriting in every subject.

The fourth graders had 100 per cent participation in our current event program this week. Each one brought at least one current event during the week. Our fourth grade students are Michael Allsup, Kathy Bell, Vance Eckhardt, Gary Grye, Anne Gorrindo, Mike Hiatt, Mike Maxhimer, Jeff Molsberry and Russell Potts. We miss Carlitta Sumpter who moved back to Oklahoma.

Sixth Grade—Miss Loop: Many of our classmates went out of town over Christmas vacation. Those who did leave town were Barbara Bell, Jan Achziger, Vickie Hamilton, Paul McDown, Diana Boothby, Bonnie Weber, Paul Spillers and Sandra Libby.

Those students who received A's and B's on their reading tests were Richard Abbott, Jan Achziger, Lynann Fugazi, Scott Hawkins, Margaret McDonald, Paul McDown and John Tribuzio.

Those who did well on their arithmetic tests were Jan Achziger, Bill Brehler, Alvin Dow, Margaret McDonald, Martha Pope and Bonnie Weber. Seven people did not miss any on their spelling papers. There were Jan Achziger, Steve Burghardt, Vickie Hamilton, Rose Long, Margaret McDonald, John Tribuzio and Bonnie Weber.

We also would like to have Scott Williams back with us. On New Year's Day Scott broke his leg skiing. We hope to have him back with us soon.

Eighth Grade — Mrs. Schultz: Notebook on the second unit of history found Sharon Roberts, Susan Hawkins, Steven Williams, Mickie Barker, Shari Bell, Gail Burghardt, Kathy Critchley, Ellen Dennis, Sandy Martin, Cathy McIntire, Shelley Wilson, David Boothby and Greg Pyle receiving above average grades.

LIVE BETTER ELECTRICALLY

On December 10th, Sierra Pacific Power Company recorded the billionth kilowatt hour used by its customers in 1964. A kilowatt hour of electricity is enough to light ten 100-watt light bulbs for an hour. A billion kilowatt hours of electricity will light 10 billion 100-watt electric light bulbs for one hour. This billion kilowatt mark shows the rapid growth of our area and the importance of Sierra Pacific Power Company's rapid expansion program in generating facilities. Ten years ago, the systemwide electrical output to lines was slightly more than one-third of a billion kilowatt hours annually. Forecasts call for the two billion kilowatt hour year to be reached in six or seven years from now, in contrast to the 64 years needed to reach the first billion kilowatt hour mark.

One 53,000-kilowatt steam power plant was placed in operation little more than a year ago. In anticipation of this future growth another 80,000 kilowatt plant will be put in service during 1965 and a third is scheduled near Yerington in a few years.

SIERRA SKIING

By VI WHITE

Tomorrow, January 22 through January 31, will be proclaimed National Ski Week by Governor Brown for California skiers.

A big event is being planned for Sierra skiers and all those who want to join in on the fun may do so, in one way or another.

A group will get together at Donner Ski Ranch to do some night skiing starting at 7 p. m. Friday night. Manager Norm Sayler will then have some expert skiers carry torches as the skiers head up over the summit, after flood light skiing, to ski down old Highway 40.

It should be a great ski run and the more the merrier, so if you'd like to join in on the fun meet at the Ski Ranch. For those who would like to watch the whole thing, just look up the old highway about 10 p. m. then meet the gang at the end of the run at Donner Lake Lodge, where manager Ann Nesbit promises a big skiers' party.

Volunteers will be needed to get the skiers back up the mountain again to their cars, via the new freeway of course.

Ski during National Ski Week!

* * *

The first Junior Point Race was held at Sugar Bowl last weekend for the 1965 season. One hundred and sixty young racers participated. The Lake Tahoe Ski Club juniors took the first four places in the Boys' Downhill event Sunday. Lance Poulsen of Squaw Valley won both the slalom Saturday and the downhill.

Little Holley Schooley was third, skiing for Sugar Bowl, in the Class IV Girls' Slalom, but received a broken leg afterward as she was practicing for the next day's Downhill. Too bad Holley.

Vicki Jones of Tahoe was 2nd in the Downhill, and Patti Kelley 3rd after winner Robin Morning of Mammoth.

The Sugar Bowl Ski Club did a marvelous job preparing the courses by boot packing the fresh snow.

United States Olympic Team Coach Bob Beattie was there looking over the juniors who are future Olympic hopefuls.

Next weekend the second point race will be held at Slide Mountain and the Nordic Point Meet will be at Mount Rose.

Starr Walton was at Sugar Bowl keeping up her practice even though she has a broken collar bone. Olympic team member, she hopes to compete in the Roch Cup races at Aspen next month.

Roofs and driveways are still being shoveled clear of the big snow back in the Sierra but we aren't alone. Idaho towns are covered with snow too and Ketchum and Sun Valley look much like Truckee or Squaw Valley. Beautiful but lots of work to keep traffic and skiers moving. Preparing the slopes have been a problem there too, however, since the sun came out last week we had some excellent skiing at Sun Valley. Packed powder skiing.

We were fortunate to be there when the Standard Ram Race was held. So practice we did and by golly by practically schussing Dollar Mt. we were able to make the time for a Gold Ram pin to add to our collection.

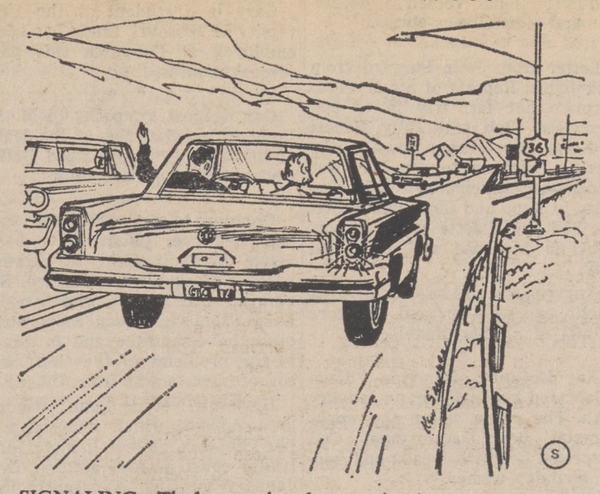

Ski School Director Sigi Engle presented the pins in the new basement bistroo called the "Boiler Room" located in the lodge. Ned Bell manages the place and has a calipso band there that is terrific. The 560 southern Californians that came from Los Angeles by train really had a great time. Where can you have such fun time skiing, swimming in a 90 degree pool and jumping into the fresh snow. Feels great too, you ought to try it! Especially when the temperature is down to 20 degrees. Wow!

Don't forget Friday night, let's all ski down the old highway.

SIGNALING—The law requires that you give the appropriate signal of your intention to turn right or left during the last 100 feet you travel before turning when any other vehicle may be affected by the movement, advises the California State Automobile Association. And when turning at an intersection, make sure your approach for a right turn and the right turn itself is made as close as practicable to the right-hand side of the road. For a left-hand turn: use the extreme left-hand lane lawfully available to traffic moving in the direction you are traveling.

There isn't much news this week. I'm afraid I don't know what's going on, so please call me and let me know when you have company or go some place.

Bill Small, who has been a dealer on the North Shore for the past 10 years, has died of a heart attack in Florida. He leaves his wife, Lil and two sons, Bobby and Buddy. He will be sorely missed by those who knew him.

On the same sad subject, Mrs. Prudence Dodd, who expired January 8, will be missed greatly and sympathy is extended her family and friends who are feeling the great loss.

Jim and Peg Mandeville finally got back from their week's vacation in Los Angeles. They were about 12 days late due to car trouble, but they are back and baby sitting.

Jan and Doug Atkin arrived home safely from Ely where they visited Don and Lou, Doug's parents.

The Women's Club postponed their meeting and will announce when the next meeting will be when they will have an election of officers.

Bob and Bernie Janson have gone to El Sabrante to visit his folks and then to Los Angeles for a visit to Disneyland. They will be gone about 10 days.

Bob and Doreen Silveria have gone to Eureka this weekend to survey the damage done to his brother's farm which was inundated during the last storm. The farm was nearly washed away by the flooding of the Eel River.

Nora Achziger had a wonderful visit with her mother in Colorado during the holidays.

The Netherlands was the first nation to declare war against Japan after the attack on Pearl Harbor.

Doctor Says Report On Hospital In Error

AUBURN—Dr. Clifford W. Wauters, 1964 president of the Placer-Nevada County Medical Society has charged the current Placer County grand jury evaluations of the county hospital system as being superficial. In a letter to the board of supervisors, Wauters stated that the report should be "refuted".

The year end report of the Placer County Grand Jury submitted to the superior court judges last week cited odors, lack of paint, appearance of the facility and the dress of professional personnel as the major defects they found at the county maintained facility.

Declaring that the local medical community members have been disturbed by the charges, Wauters stated that physicians in Placer County have been impressed increasingly by the cooperation and ability shown by county medical authorities at the hospital.

In his letter to the board, Wauters revealed a little known activity in continuing medical education at the hospital.

Wauters said, "the county hospital" is "the center of annual postgraduate lectures, conferences and medical education. These series of lectures, (four in the spring and four in the fall), delivered by outstanding professors of medicine, from the Universities of Stanford and California have been held at the Placer County Hospital and attended faithfully by physicians from Placer, Nevada, Sacramento and El Dorado counties."

Wauters said during his medical training over the past 25 years in leading hospitals throughout the United States, that he has found the Placer County Hospital doing an outstanding job with the basic facilities they have.

The board of supervisors received the grand jury report along with the letter from Wauters.

Supervisor Chairman Robert Radovich accepted the report and indicated that the board would study it and reply in the 60 days allowed by law.

Buick Special V-6 goes easy on gas.

Its low price goes hard on your resistance.

We put 6 big reasons to buy a Buick Special under the hood. And another small one on the price tag. The six are a set of the liveliest, thriftiest cylinders that ever zipped you merrily on your way. They're all arranged in neat, smooth V-fashion. They add up to 225 cubic inches and 155 horsepower, and make other arrangements of 6 cylinders seem primitive. That's not all. Special sports Buick comfort, Buick style and traditional Buick quality. The price tag? We saved the best for last.

$2343.00 Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

Reno Ramblings

By BETHEL

Selby Calkins, former resident of the North Shore and former public relations director of the Crystal Bay Development Co. at Incline Village, has been named managing director of the 1965 National Championship Air Races in Reno.

Selby was also a past president of the Lake Tahoe Sierra Chamber of Commerce and was active in many other civic affairs while living at Lake Tahoe.

The air races will be conducted under the auspices of the Reno Chamber of Commerce of which he was a staff member from 1949 until he resigned seven years later to go into private business.

Selby, a pilot for more than 30 years, is a colonel in the U. S. Air Force Reserve. Before World War II he was an aviation writer, editor of a major aviation magazine and author of a syndicated aviation column. He covered the pre-war National Air Races in Los Angeles and Cleveland and after the war became editor of "Skyways" magazine, then public relations and advertising director for Pan American Airways in San Francisco and New York.

Enjoying a cup of coffee at the Riverside, chatted with Al Katansky who is now presiding there. Al was a former resident of Kings Beach and chef at the Nevada Lodge. The Katanskys are now Reno residents.

* * *

Visited with Marge de Costa, who is with the American Cancer Society in Reno, and who is another former resident of the North Shore. Marge is also busy with Business and Professional Women's Club. Active and attractive as always.

* * *

Letter from Jetta Steward from Yokohama. Reports of a marvelous surprise her last trip in to San Francisco—Bob and Tally Daneri of Kings Beach drove down in the terrible weather to see her. Her friends had anticipated a visit from Jetta in Reno and the North Shore. We had paged Jetta at the airport with no response and wondered why.

Anyway, she will be in again next month and we'll try and get more details of all her travels.

Kay McGuire of Incline Village celebrated her birthday on January 13th. The office where she works (Crystal Bay Development Co.) surprised her with a cake and happy birthday wishes.

Congratulations to Dorothy Beck of Tahoe Vista and Eileen Wilen of Kings Beach for the third or fourth? time they are taking charge of the beauty contest for "Miss Sierra Sno-Flake" who will be chosen by judges at the Sno-Ball on February 13th at the Nevada Lodge.

These community affairs are fun even though they are a lot of work. The most work is getting someone to do some work!

Janene Grignon of Kings Beach has returned home after a few days visit to Los Angeles. Upon her return she learned of the death of her maternal grandmother whom she had visited. Due to Reno being grounded by fog she was unable to return to Los Angeles for the services for the 89 year old loved one. Our sympathy.

Jan Van Tassel of Kings Beach enjoyed a short vacation to Walnut Creek where he visited relatives. Thank goodness he had his car painted while he was there—a great improvement!

Jim and Marlene McCourry and Bill Montgomery of Incline Village have returned home after visiting Dale and Barney Swartz at Paso Robles. Barney is the town mayor.

Guy and Gloria Michaels of Christmas Tree restaurant fame are opening the Chateaux at Incline Village this week. Chef Larry Peterson will be on duty to turn out the same fabulous food. Lunch and dinner will both be served.

Work continues on the rebuilding of the Christmas Tree in the location where it was destroyed by fire last year. However, snow has called a halt to construction. Guy says he tunneled through the front door, put on snow shoes and started out over the snow. However, the wind was the worst he'd ever seen in his years on Mt. Rose and after blowing him into the drifts, he conceded to the weather, returned inside to sit by the fire until things calmed.

Harold and Ann Tiller and children, Larry and Nancy, of Incline Village are on their way to Oklahoma City to attend the wedding of daughter and sister, Linda. Linda's engagement was recently announced by her parents to Gary Matthews of St. Louis.

Gary is a student at the University of Missouri. Linda has been employed at Columbia this past several months.

Our deepest sympathy to M. H. Dodd of Carnelian Bay on the death of his wife, Prudence Reed Dodd, who passed away last week.

Opposers to the hotel-motel room tax for Placer County have been active in their fight to prevent passing of such an ordinance. Supervisor Bill Briner, who lives at Lake Tahoe, has been cooperative with the committee and is aware of the problems of the short season of operators at Lake Tahoe.

However, Nevada County passed an ordinance which imposed a 4 per cent tax on hotel, motel and trailer court patrons at their first January meeting. Apparently this was not anticipated and it behooves the Placer County Committee Against Room Tax to be vigilant.

Chatted with C. E. "Temp" Templeton, now a VP at a Reno department store, who was a former Kings Beach resident with his wife, Ellen, and children. The Templetons operated a restaurant in Kings Beach before moving to Reno.

What a difference dress clothes make in a person! Accustomed to seeing Connie Wainscoat working in his Kings Beach bakery, we almost missed saying hello to him the other day when we met at a local bank. The family are all fine and enjoying their winter in Reno.

A Reno businessman who has been a headliner and once again is making news, is our longtime friend, William V. Pennington. At the present time he and his son own vast oil leases in Eastern Nevada's Railroad Valley and have a test well at Eagle Springs, which has put the Penningtons in the limelight.

However, he was once the nation's foremost private eye, handling cases for Melvin Belli and Jake Erlich. It was in 1945 during the United Nations Conference in San Francisco that a San Francisco newsman headlined him "Peek-a-Boo" Pennington and the name stuck.

At one time he worked for Gov. Al Landon of Kansas as an investigator for the Kansas State Oil Department. After coming to California he opened his own offices as a private detective. A peek-a-boo comic strip and a radio serial based on him and his family resulted.

Drivers Asked To Use Lights In Fog

"It is surprising to me that there aren't more accidents, especially in heavy fog, because so many drivers won't turn on their lights and it is impossible to see them, especially these off-white cars."

This excerpt from a citizen's letter to the California Highway Patrol has official support from Patrol Commissioner Bradford M. Crittenden.

"The state law requires lights to be used during 'darkness', which is 'any time from one-half hour after sunset to one-half hour before sunrise and any other time when visibility is not sufficient to render clearly discernible any person or vehicle on the highway at a distance of 500 feet'," he declared.

"Visibility can be reduced to less than 500 feet during periods of fog, rain and snow, conditions that exist frequently during this time of year. For safety sake, headlights should be used if there is any doubt at all as to visibility. Remember, too, that parking lights cannot be used instead of headlights."

NEWS FROM DONNER TRAIL

By Betty Kielhofer

We now have an enrollment of nine with more possible at the airport ground school as the first session got under way last Friday. Everyone seems pleased with the class and with Giles Altenburg, who instructs. Two ladies signed up, in the person of Geri Bean and Ruth Knight. Welcome, girls. I'm delighted that I won't be the only woman attending. Maybe we'll eventually have enough for a flying club all our own.

The airport has certainly been busy since the strip was cleared. Reno has been 'socked in' and quite a few planes have been landing here instead. They have also been flying out of here for the Reno 'cloud-seeding' operations in an attempt to break up the heavy deposit which has kept Reno in darkness for so many days.

Rick Baer is the flying instructor from Reno Flying Service and does a nice job of it, too!

Ed Aweeka surprised me in coming up with a private pilots license. He's flown for years (up to 1939) and owned several planes. He is now brushing up in the ground course and we hope to include him in the ranks of Truckee flyers soon.

Andy Creglow and Dave Rose are taking off on Sunday, the 24th, for a week'se vacation in Guaymas, Mexico. They'll fish, sun and just be generally lazy. They'll be flying back here on the 29th, nicely tanned and full of interesting 'tales'.

The Ponderosa Golf Club will journey to Auburn for their first tournament next Sunday. Should be fun and a chance for all we 'rusty' golfers to get the cob-webs off our trusty clubs. The fellows are already paired but girls are just going around for the practice so if you haven't signed up, come on along.

Eve was telling me the coyotes were howling like mad from behind Donner Trail Estates on Sunday evening. This has probably been a very rough winter for finding food. Better keep your little pets locked up good. It's the first time I've heard of them coming in this close to civilization. 'Til next eek.

California accounts for 40 per cent of the country's fruit and nut crops shipped abroad.

Sierra Pacific May Change Domiciles

Sierra Pacific Power Company is proposing to change its corporate domicile from Maine to Nevada and to split the outstanding common stock on a two for one basis.

The two proposals are being announced today in a letter to shareholders from Fred L. Fletcher, president.

The change of domicile, according to the letter, can best be accomplished by a simple statutory merger of the company into a new Nevada corporation formed solely for that purpose. The company would continue to operate as Sierra Pacific Power Company and there would be no change in the business, properties or management.

Fletcher announced that the new Nevada corporation, to be known temporarily as Sierra Nevada Power Company, was organized Friday, January 15.

The letter states that the company's intention is to convert each share of the issued and outstanding common stock of Sierra Pacific Power Company into two shares of common stocks of Sierra Pacific Power Company as a Nevada corporation, on the date the change of corporate domicile is completed.

If the plan is approved by the company's board of directors at their meeting in February and by shareholders of the company at their meeting scheduled for March 22, and if all necessary regulatory approvals and consents are obtained, Sierra Pacific Power Company will become legally domiciled in the State of Nevada and will continue its operations uninterrupted under the name of Sierra Pacific Power Company.

RECORD ATTENDANCE AT P. T. A. SESSION

The Truckee Elementary PTA held its first meeting of the new year last Monday night to a record attendance of parents and teachers.

Richard Small showed the membership two instruments which he had selected as ones needed by the band, and the members voted to purchase them.

Mrs. Ben King reported a proposed visit to the next school board meeting to show them our interest in our band and to request provision be made for musical instruments for all the elementary schools in our district. Up to the present time only the high school has been provided with instruments.

Mrs. Nancy Jessen, legislative officer, will keep PTA informed on any bills concerning the group. Mrs. Bud Denny, membership chairman, reported 194 members as of the meeting.

The program for the evening was a special tumbling class, conducted by Rodney Hisken. Students participating were Byran Smart, Bryan Holgate, Joyce Smart, Laura Small, Virginia Strobel, Phillip Grow, Chris Wiser, Jean King, Kitty Funk and Robert Richards.

Miss Conant won the room count banner for the second time. Mr. L. Best won the door prize.

Refreshments were served by Ruth Waller, Kitty Money, Pauline Anderson, Helen Anderson, Nancy Jessen and Loretta Vierra.

FIRE DESTROYS HOME IN TAHOE CITY AREA

TAHOE CITY—Fire completely destroyed an unoccupied A-frame dwelling belonging to Dr. Sheimo of Hillsborough in the Cedar Flat section last week.

The Tahoe City fire department responded to a call from Mrs. John Cole, a neighbor, who was awakened at 3:44 a. m. Wednesday by the reflection of the flames in her bedroom.

The firemen stood by for two hours to prevent the flames from spreading to nearby residences. Origin of the fire as not immediately determined.

Sno-Ball

(Continued from Page 1)

when Mrs. Dorothy Beck was named chairman of the committee for that event. She in turn has appointed Mrs. Eileen Wilen, Mrs. Stella Seaton and Mrs. Barbara Boothby to assist her on the committee.

Tickets for the ball are now being made available at the chamber of commerce offices in the Community Building at Tahoe City, but will also be available at other points in the Lake Tahoe, Carson City, Reno, Donner-Truckee area. They include the banquet, beauty pageant and dancing and are available for $5.00 donation.

Detailed plans for the beauty pageant for the title of Miss Sierra Sno-Flake will be announced soon, but application blanks for participants are now being distributed to the office of newspapers, radio stations and television stations around the Tahoe, Reno, Truckee and Carson areas.

Tofft

(Continued from Page 1)

Gardiner Pier, will confeer with Liske to finalize the plans.

At Friday's meeting, the board passed a resolution of commendation of service to the retiring directors, James A. Sherritt, I. Firpo and Ted Barrett. It read as follows:

RESOLUTION NO. 65-1 (8)

WHEREAS, James A. Sherritt having served as a member of the original Board of Directors for the Tahoe Forest Hospital District to December 31, 1964, and,

WHEREAS, I. Firpo having served as a member of the Board of Directors for the Tahoe Forest Hospital District from 1952 to November 22, 1964, and,

WHEREAS, Ted Barrett having served as a member of the original Board of Directors of the Tahoe Forest Hospital District to December 31, 1964.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the incumbent members of the Board of Directors:

That for meritorious service, these gentlemen are commended for having patiently and constructively helped to create and maintain a public hospital for the Truckee area. It is recognized as no small task to accomplish the building of a hospital on a firm financial basis. These men have also devoted their efforts to finalize the new wing program. Collectively these public servants have served the community for nearly 40 years in the capacity of governing members of the Tahoe Forest Hospital District. These men have given time and effort in the spirit of civic duty with no financial recompence.

THEREFORE, BE IT RESOLVED:

That James A. Sherritt, I. Firpo and Ted Barrett are hereby given sincere and appreciative recognition for helping to make the Truckee area a better community.

COUNTY POPULATION SHOWS BIG INCREASE

A preliminary estimate by the California Taxpayers Association shows that the population of Nevada County on January 1, was 26,700, an increase of 5,789, or 27.7 per cent, since the 1960 census.

Placer county's population was up 26.3 per cent, with a total of 72,000, or a gain of 15,002 persons since the 1960 census.

California's total population was given as 18,607,000, an increase of 18.4 per cent over the 15,717,204 at the 1960 census, the association said.

ONLY APPROVED SKID CHAINS ACCEPTABLE

Only tire chains meeting the legal definition may be used in official chain control zones in California, Highway Patrol Commissioner Bradford M. Crittenden cautioned motorists today.

The vehicle code specifies that chains must "consist of two circular metal loops, one on each side of the tire, connected by not less than nine evenly spaced chains across the tire tread."

The commissioner said that many chains are being marketed which snap on or clip on, or can be fastened with straps.

"While these are permissible in snow areas where no chain controls are posted, the only legal chain in an official control area is that described by law," he said.

From Ventura—

Tony Pace returned from Ventura where he was called by the illness of Mrs. Ethel Marzen. Mrs. Frank Giandrea, his sister from the bay area, accompanied him home.

Go South—

The E. H. Crissman address has recently changed from Truckee to Long Beach.

Date Observed—

Loyd Hoofard was congratulated by friends on his January 5 birth date.
